This provision shall survive the termination of this Agreement.

1.13. Continuing Education. The Practitioner shall comply with and satisfy any and all of the professional obligations and requirements regarding continuing education and any other related areas of medical practice required for the maintenance of a license to practice **medicine** in Massachusetts or appropriate to the rendering of competent professional services pursuant to this Agreement as determined by the Department Chair.

The parties acknowledge that a certain percentage of the Practitioner's time and salary may be allocated to, and governed by, a so-called "Dual-Employment" arrangement with the Medical School (the "Dual-Employment Arrangement"). The Practitioner acknowledges that the terms and conditions of employment with the Medical Group are governed by this Agreement and the policies and practices of the Medical Group. The Practitioner further acknowledges that if this Agreement is terminated for any reason, the related employment relationship with the Medical School shall also terminate

The Medical Group, at its expense, shall arrange for professional liability insurance coverage for the Practitioner with regard to professional medical services rendered by the Practitioner for Medical Group-related activities billed through the Medical Group during the term of this Agreement. The Practitioner shall be covered by such insurance to the same extent as other similarly-situated practitioners within the Medical Group. Coverage limits shall be set in the discretion of the Medical Group and/or the UMass Memorial Self-Insurance Program from time to time and shall be made known to the Medical Group Practitioners on a regular basis.

3. REIMBURSEMENT REQUIREMENTS

3.1. The Practitioner shall comply with all laws, regulations and System requirements, policies and procedures regarding record keeping relating to third-party reimbursement for services provided pursuant to this Agreement as may be in effect from time to time. In the event that there are subsequent changes or clarifications of statutes, regulations or rules relating to record-keeping which the Medical Group determines must be complied with to insure proper reimbursement from third parties for services provided pursuant to this Agreement, the Medical Group shall, after reasonable notice and opportunity to comply, notify the Practitioner of any actions it reasonably deems are necessary to comply with such changes and the Practitioner shall

promptly take such actions.

4. COMPENSATION

4.1. Compensation of Practitioner. The Medical Group shall compensate the Practitioner for the services which the Practitioner renders in accordance with the terms of this Agreement. The agreed compensation is set forth in detail in Appendix B, attached and incorporated as part of this Agreement.

The Medical Group shall have the sole right to bill for and to receive, hold and disburse such fees and income and the Practitioner agrees to abide by the billing policies and procedures of the Medical Group. To the extent applicable, the Practitioner agrees to work with the Medical Group to collect all patient co-payments for services rendered and promptly to forward such funds to the Medical Group. Upon termination of this Agreement for any reason whatsoever, all such monies then outstanding shall be deemed to be the sole and exclusive property of the Medical Group and not subject to any claim by the Practitioner. Vacation time may be taken during the Notice Period only with the consent of the Department Chair and the President of the Medical Group. The Practitioner will be compensated for unused pro-rated vacation time not taken at the time of termination. The Medical Group does not permit "terminal vacations," i.e., the use of vacation time to complete the final portion of the Notice Period.

termination of this Agreement, payment by the Medical Group of any base salary due the Practitioner under Section 4.1 and Appendix B to the date of termination and of any pay in lieu of notice due Practitioner under Section 7.2 shall constitute the entire obligation of the Medical Group to the Practitioner. The Practitioner recognizes that no compensation is earned after termination of this Agreement.

Notwithstanding anything in this Agreement to the contrary, it is hereby expressly understood and agreed by and between the Medical Group and the Practitioner that any and all rights, responsibilities, and obligations of the parties shall at all times during the term of this Agreement be subject to the Bylaws of the Medical Group, the Bylaws of the Medical Staff of the Medical Center, all applicable rules and regulations of the System, or its successor, as now exist or as hereinafter may be amended or promulgated by the Board of Trustees of the Medical Group, the Medical Staff of the Medical Center and the President/Chief Executive Officer of the System, or any duly authorized designee thereof.

APPENDIX A

The Practitioner shall be responsible for providing professional medical services to patients of the System in need of such services and to enrollees of health plans as to which the Medical Group and Practitioner are participating providers. The services to be rendered hereunder include, but are not limited to outpatient work, inpatient consultative work and direct patient care. The Practitioner's performance hereunder shall be evaluated by the President of the Medical Group and the Department Chair in accordance with the Bylaws of the Medical Staff of the Medical Center. The Practitioner agrees that the practice of medicine shall be limited to the services to be provided pursuant to this Agreement or for the Medical School under its agreement unless Practitioner obtains the prior written approval of the Chair under Medical Group policy to do otherwise.

The Medical Group and the Department Chair shall determine the specific professional medical duties to be performed by the Practitioner, as well as the time and manner of performance, in accordance with and subject to the terms of this Agreement; provided, however, the Medical Group and Department Chair shall not impose requirements which would interfere with the Practitioner's professional judgment in connection with the treatment of patients or cause the Practitioner to violate applicable ethical codes or any law or regulation.

The Practitioner shall at all times provide services to all persons who may become patients of the Medical Group in accordance with the Medical Group's policies and without regard to race, color, creed, sex or ability to pay for services; and

The Practitioner shall participate in Medicare, Medicaid and managed care programs and other third party payor arrangements or governmental programs in which the Medical Group participates and the Practitioner shall abide by and act in accordance with the terms and conditions of all managed care agreements, network, affiliation agreements, provider agreements and other contracts to which the Medical Group or Practitioner (with the Medical Group's consent) is or becomes a party.

APPENDIX B

1. The Practitioner's compensation for services rendered pursuant to this Agreement, and under a Dual-Employment Arrangement with the Medical School, if applicable, shall be a total base salary, which if annualized would be at the rate of Three-hundred Twenty-Five Thousand Dollars (\$325,000) per year, less all legally required and voluntarily-authorized deductions, payable in accordance with Medical Group payroll practices. (Practitioners who participate in the Dual-Employment Arrangement with the Medical School may receive paychecks from both the Medical Group and the Medical School, which together shall equal the base salary referenced above.)

The Practitioner shall also participate in the Physician Incentive Compensation Program of the Department as established by the Medical Group (the "Incentive Compensation Program"), subject to its terms and conditions of participation as in effect or amended from time to time. The Incentive Compensation Program includes eligibility for bonuses and/or salary increases based upon productivity. The Practitioner acknowledges that participation in the Incentive Compensation Program may also involve imposing salary withholds if performance does not meet Medical Group requirements. The Practitioner further acknowledges that, following the first twelve months' of the Practitioner's employment, under the terms of the Incentive Compensation Program, the Medical Group may decrease the Practitioner's base salary if the applicable productivity targets are not met. Salary adjustments will be made upon thirty (30) days written notice to the Practitioner. Salary reductions, if any, shall be consistent with the Department's compensation plan and shall in no event exceed twenty percent of the Practitioner's base salary in any twelve month period.

Subject to the Practitioner's payment of any contribution required of physician employees generally, the Practitioner will be eligible to participate during the term of this Agreement in any and all employee benefit plans made generally available to other physician employees of the Medical Group as in effect from time to time. Such participation by the Practitioner shall be subject to (i) the terms of the applicable plan documents, (ii) generally applicable policies of the Medical Group, and (iii) the discretion of the Board of Trustees of the Medical Group or any administrative or other committee provided for in or contemplated by such plan or policy of the System. A description of the benefits program currently in effect (and subject to change by the Group Board and UMass Memorial Compensation Committee) is attached hereto as Appendix C, "Physician Benefits at a Glance."
